SECTION C: Findings of Fact and Conclusions of Law

1. W. Boutros owns a 254 acre site, of which 166 acres are a housing development consisting of single family home and townhouse at the Property in the City of Waynesboro, Augusta County, Virginia.
2. On May 10, 2005, DEQ received an application for a Virginia Water Protection Permit to allow for potential wetland impacts at the Property. The application identified Boutros' environmental consulting firm, Balzer and Associates, 1557 Commerce Road, Verona, Virginia as its authorized agent on the project.

3. On August 12, 2005, DEQ issued Virginia Water Protection Permit No. WP4-05-1080 to W. Boutros for the Property with an expiration date of August 11, 2010. The Permit authorized permanent impacts to approximately 0.51 acre of palustrine, emergent wetlands and temporary impact of 0.11 acre of palustrine, emergent wetlands, each of which are considered State waters.
4. The Permit requires compensatory mitigation at a ratio 1:1 through the construction of 0.51 acre of wetland onsite.
5. On May 30, 2006, the consulting firm, on behalf of W. Boutros, submitted a Final Compensatory Mitigation Plan (Plan) to DEQ.
6. On June 29, 2006, DEQ notified the consulting firm that the Plan was incomplete in a number of respects and did not meet regulatory requirements. The letter specifically identified eight deficiencies and requested information required by the Permit and Regulations to make the Plan complete.
7. In June 2006, W. Boutros completed construction in the permitted impact area.
8. On July 19, 2006 and November 2, 2006, the consulting firm responded to DEQ's June 29, 2006 deficiency letter, but DEQ did not receive a revised Plan that completely addressed the outstanding deficiencies.
9. Va. Code § 62.1-44.15:20 and the Regulations at 9 VAC 25-210-50 prohibit dredging or filling of surface waters except in compliance with a VWP permit issued by the Director.
10. 9 VAC 25-210-90 requires permittees to comply with all conditions of the VWP permit.
11. On October 17, 2008, DEQ issued Warning Letter No. WL-08-10-VRO-001 to W. Boutros in care of the consulting firm (received October 29, 2008) for the alleged violations of the Permit, and State Water Control Law and Regulations as cited in (C9) and (C10) above: in pertinent part, the Warning Letter cited failure to complete the final the compensatory mitigation.
12. By letter dated November 14, 2008, the consulting firm responded to the WL and clarified to DEQ that all permitted impacts had been taken and that no mitigation had taken place. The letter did not address all of the outstanding issues with the Plan as outlined in the WL.
13. On February 9, 2009, DEQ issued NOV No. NOV-09-02-VRO-001 to W. Boutros in care of the consulting firm reiterating the alleged violations cited in (C11) above.
14. On March 5, 2009, Department staff met with representatives of W. Boutros and the consulting firm to discuss the alleged violations and corrective actions necessary for W. Boutros to return to compliance. W. Boutros agreed to submit a corrective action plan and to address the outstanding deficiencies with the Plan.

15. On March 30, 2009, the consulting firm on behalf of W. Boutros submitted a written response to the NOV and information to update the Plan.
16. Based on the March 5, 2009 meeting, and the documentation submitted on November 14, 2008 and March 30, 2009, the Board concludes that W. Boutros has violated Va. Code § 62.1-44.15:20 and 9 VAC 25-210-50. and 9 VAC 25-210-90 and the Permit as described in paragraph (C11) above.
17. On May 12, 2009, DEQ approved W. Boutros' Final Compensatory Mitigation Plan.
18. In order for W. Boutros to return to compliance, DEQ staff and representatives of W. Boutros have agreed to the Schedule of Compliance, which is incorporated as Appendix A of this Order.
19. W. Boutros represents that at all times it intended to maintain compliance with the Permit and the State Water Control Law and Regulations, and was unaware of any deficiencies until the consulting firm share the contents of DEQ's October 17, 2008 Warning Letter. W. Boutros further represents that at all times, it relied on the expertise and advice of its agent consulting firm.
